## Power Monitoring - Power Monitoring | Utility Metering ...

[www.microchip.com/design-centers/utility-metering-solutions/power...](http://www.microchip.com/design-centers/utility-metering-solutions/power...)

Microchip offers high performance measurement **solutions** for AC **power** measurement and **power monitoring**, includes **solutions** for smart **metering**, switch mode **power** ...

## PDU | Power Distribution Metered & Switched | Raritan

[www.raritan.com/products/power-distribution](http://www.raritan.com/products/power-distribution)

Rack **Power Distribution** Units (Rack PDUs Metered & Switched) Raritan's data center **power** products include: rack **power distribution** units (rack PDUs), inline meters ...

## Intelligent Rack Power Distribution Units | Power ...

[www.raritan.com/ap/products/power-distribution](http://www.raritan.com/ap/products/power-distribution)

Data Center Rack **Power Distribution** . Raritan **power** products include: rack **power distribution** units (PDUs), inline meters, and transfer switches.

## PRIME Alliance | Advanced Meter Reading & Smart Grid

[www.prime-alliance.org](http://www.prime-alliance.org)

Meters Deployed Worldwide. PRIME (PowerLine **Intelligent Metering** Evolution) today is a mature, consolidated and worldwide PLC standard for Advanced **Metering**, Grid ...

## Intelligent Power | Microchip Technology Inc.

[www.microchip.com/design-centers/intelligent-power](http://www.microchip.com/design-centers/intelligent-power)

DSC6000. The new DSC6000 family is the industry's smallest MEMS MHz oscillator with the lowest **power** consumption over full frequency range of 2 KHz to 100 MHz.

## Power and Energy Meters - Eaton

[www.eaton.com/.../PowerandEnergyMeters/index.htm](http://www.eaton.com/.../PowerandEnergyMeters/index.htm)

Eaton's **Power Xpert** Meter 2000 offers comprehensive world-class **power** and energy measurement and **monitoring** that reduce day-to-day operating costs and help avoid ...

## [PDF] Revenue metering for electric utilities - Power Logic

[www.powerlogic.com/literature/3000BR1110 Revenue metering for...](http://www.powerlogic.com/literature/3000BR1110%20Revenue%20metering%20for...)

Recommended products for **revenue metering** Software: PowerLogic ION, Enterprise PowerLogic ION Setup **Power** and energy meters: PowerLogic ION8650

## Energy Management through Intelligent Hardware

[www.eaton.com/.../PowerQualityandMonitoring/EnergyManagement/index.htm](http://www.eaton.com/.../PowerQualityandMonitoring/EnergyManagement/index.htm)

**Metering** and **monitoring** with **intelligent** hardware allows you to develop a baseline of energy usage. With accurate information, you can determine actionable, cost ...

## Kalkitech - Enabling the Smart Grid: IEC61850, DLMS, WAMS

...

[www.kalkitech.com](http://www.kalkitech.com)

Kalkitech's AMR/AMI **solutions** are divided into grid **metering** and smart **metering** to leverage Kalkitech's deep expertise in the respective transmission and distribution ...

## IBM DevOps

<https://www.ibm.com/cloud-computing/products/devops>

IBM's **DevOps** one-stop shop: discover what it is, how to get started, best practices, products and **solutions**. Let IBM help you with your **DevOps** journey.
