First Part	All Parts	Tips
------------	-----------	------

1. Choose your format. There is no right or wrong way to write an SOP. However, your company probably has a number of SOPs you can refer to for formatting guidelines, outlining how they prefer it done. If that's the case, use the pre-existing SOPs as a template. If not, you have a few options: A simple steps format. This is for routine
2. Consider your audience. There are three main factors to take into account before
